A RECORD OF A YEAR AT N. C. STATE

The
AGROMECK
1943

ANNUAL PUBLICATION OF NORTH CAROLINA STATE COLLEGE

BOB DALTON, Jr., Editor

AUSTIN LANE, Business Manager

Contents — COLLEGE, THE CORPS, FRATERNITIES, FEATURES, ATHLETICS

FOREWORD

IN editing this, the forty-first edition of the AGROMECK, we hope that we have not committed the grievous error of considering our commission as merely a personal honor. Though we feel that the honor is the highest ever bestowed upon us, we would rather look at our good fortune as an opportunity to render a real service to our class and to our beloved college. It is our most sincere hope that in the years to come, when the glamour of college days fades, and Life takes on a sterner dress, you may take this book in your lap and recall memories of friends . . . of trials and triumphs . . . of the life we used to know at North Carolina State College.

THE 1943 AGROMECK STAFF.

DEDICATION

Prof. Forrest W. Lancaster

FOR an unselfish life dedicated to the moulding of stronger minds, for an understanding of fairness, for an unending willingness to help, for enviable accomplishments of mind and of spirit, for integrity, and for general excellence . . . we dedicate this, the forty-first edition of the AGROMECK,

to PROFESSOR FORREST W. LANCASTER.

BOOK ONE

The College

BEFORE we came to this school which all of us have come to love, most of us skimmed over the word "College" with an impression of distaste . . . with an understanding that college could bear no relation to anything which did not embody the use of slide rules, tables, text books, and late hours. But after looking back through the four short years of our life at State College, we find that the word "College" has a deeper, happier meaning; we realize for the first time in our lives that we have really breathed LIFE deep into our souls. Looking back, we cannot help saying with joyful satisfaction: "Something new has been added; here, we have found the very essence of Life itself."

PROFESSORS • BOOKS AND CLASSES

COLONEL JOHN W. HARRELSON
B.E., M.E.
Dean of Administration

A Message to the Seniors:

IN this year of one thousand, nine hundred, forty-three, we commit you to a world that is in need of strong men in the great professions of technology.

We should like to detain you for a more thorough preparation to meet the tasks ahead. However, we owe it to you and to the people in need of your scientific services to say adieu with the least practicable delay.

The North Carolina State College will follow your vicissitudes in the war-torn world with a sympathetic interest, and will be the first to proudly proclaim your service to humanity.

The world today offers you unequalled opportunities. Technology is to "become the headstone of the corner."

Yours for a better world.

John Hanelson

THE FACULTY COUNCIL

LEONARD D. BAVER

Director, Agricultural Experiment Station

B. F. BROWN

Dean of the Basic Division

T. E. BROWNE

Director, Division of Teacher Education

WILLIAM HAND BROWNE, JR.

Head Electrical Engineering Department

E. L. CLOYD

Dean of Students

W. L. MAYER

Director of Registration and Purchasing Agent

Z. P. METCALF

Director of Instruction, School of Agriculture, and Director of Graduate Students

THOMAS NELSON

Dean of the Textile School

I. O. SCHaub

Dean of the School of Agriculture and Forestry

JOHN GRAVES VANN

Assistant Controller

L. L. VAUGHAN

Dean of the School of Engineering

ARTHUR J. WILSON

Professor of Chemistry

DEAN E. L. CLOYD
B.E., M.S.
Dean of Students

L. L. VAUGHAN
Dean of the School of Engineering

DEAN I. O. SCHAUB
B.S.

*Director of Instruction of the School
of Agriculture*

MR. A. F. BOWEN
Treasurer and Budget Officer

THE FACULTY

W. E. ADAMS
*Assistant Professor of Mechanical
Engineering*

W. H. ADAMS
Instructor in Military Science and Tactics

RUTH COUCH ALLEN
Instructor in English

D. B. ANDERSON
Professor of Botany

R. L. ANDERSON
Instructor in Mathematics

L. O. ARMSTRONG
Associate Professor of Education

L. J. ARRINGTON
Instructor in Economics

W. F. BABCOCK
Assistant Professor of Civil Engineering

S. T. BALLENGER
Associate Professor of Modern Languages

L. W. BARNHARDT
*Associate Professor of History and
Political Science*

GEORGE BAUERLEIN, JR.
Assistant Professor of History

WILLIAM LUDWIG BAUMGARTEN
Assistant Professor of Architecture

L. D. BAVER
Director, Agricultural Experiment Station

ELMER BILLMAN
Instructor in Mathematics

E. W. BOSHART
Professor of Education

C. H. BOSTIAN
Associate Professor of Zoology

D. E. BRADY
Associate Professor of Animal Husbandry

F. C. BRAGG
Instructor in Mechanical Engineering

V. R. BRANTLEY
Instructor in Mathematics

C. R. BRAMER
*Associate Professor of Structural
Engineering*

W. S. BRIDGES
*Associate Professor of Mechanical
Engineering*

RICHARD BRIGHT
*Assistant Professor of Chemical
Engineering*

H. B. BRIGGS
*Professor of Engineering Drawing and
Descriptive Geometry*

B. F. BROWN
Dean of the Basic Division

R. R. BROWN
*Associate Professor of Electrical
Engineering*

T. C. BROWN
*Assistant Professor of Mechanical
Engineering*

T. W. BROWN
*Assistant Professor of Mechanical
Engineering*

T. E. BROWNE
*Director of the Division of Teacher
Education*

W. H. BROWNE, JR.
Professor of Electrical Engineering

M. F. BUELL
Assistant Professor of Botany

R. C. BULLOCK
Associate Professor of Mathematics

K. W. CAMERON
Instructor in English

J. W. CELL
Associate Professor of Mathematics

LOUISE K. CELL
Instructor in English

J. W. CHALFANT
Associate Professor of Forestry

G. W. CHARLES
Instructor in Physics

B. S. CLAPP
*Assistant Professor of Military Science
and Tactics*

THE FACULTY

South from the Tower

THE GOLDEN CHAIN

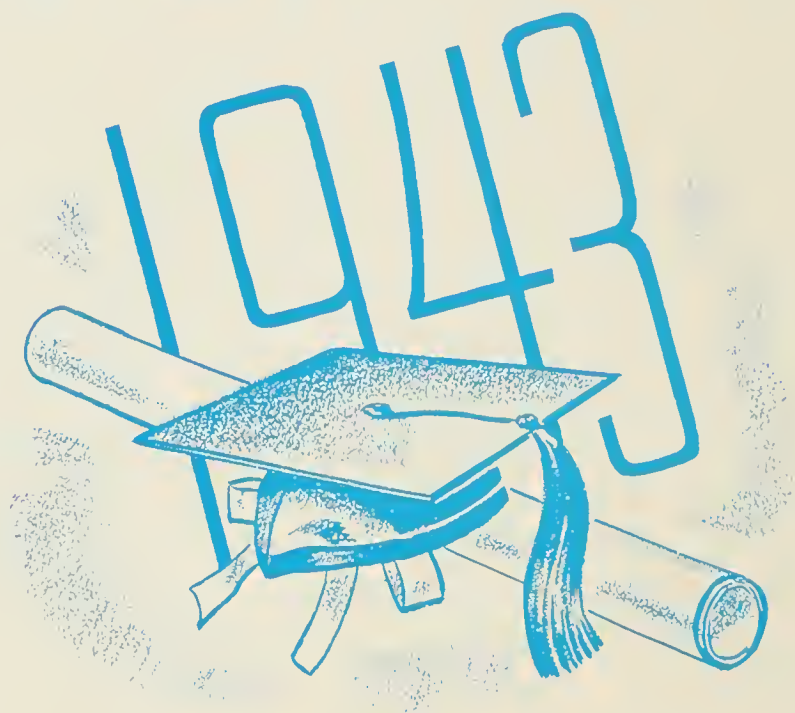

Senior Honorary

Golden Chain, top honor society, was established in May, 1926. Each spring, twelve Juniors considered the most outstanding leaders of their class are added to the Chain by a tapping ceremony conducted around the traditional sun-dial on the Memorial Green. Golden Chain sponsors Hello Week and the annual High School Deputations and co-sponsors Homecoming, the Campus Food Drive, Greater University Day, High School Day, and State-Raleigh Day. The underlying purpose of this high-honor organization is to promote better leadership and citizenship on the campus.

1943 LINKS

WILLIAM WOMMACK	G. W. JONES
JIM MARTIN	BOB BOYCE
WALTON THOMPSON	ADDISON HAWLEY
BOB DALRYMPLE	BOB DALTON
MOYLE WILLIAMS	TOM TURNER
LARRY HARDIN	NICK GELUSO

SENIOR

MEN

DON BARKSDALE: Editor-in-chief of the important, free-spoken *Technician* . . . able and anxious to back any campus project.

WOODROW JONES: Redoubtable athletic prowess . . . serious handsomeness . . . strong body . . . competitive spirit . . . spark-setter to student body spirit . . . three letter man with a four star personality.

TOM TURNER: Senior class president who has successfully mixed varsity athletics with politics . . . moral integrity . . . master of technique.

TOM BIVINS: Dignified president of Pine Burr Society . . . willing and effective worker on any drive . . . industrious.

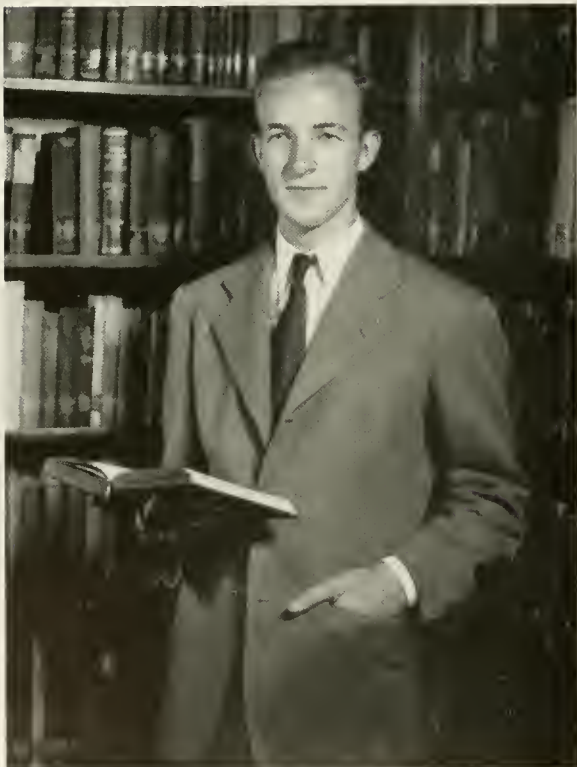

Senior Men

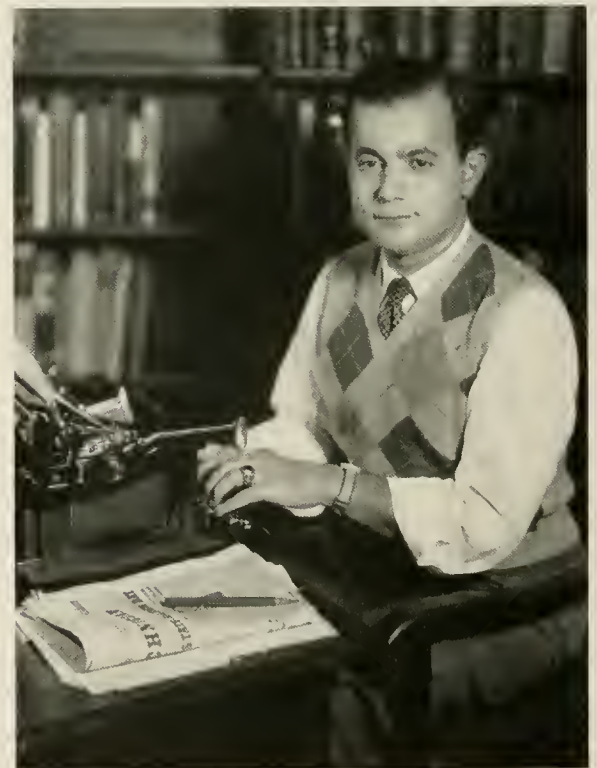

ADDISON HAWLEY: Capable president of Engineers' Council . . . first battalion boss . . . clever speaker . . . scholar of note.

CLAUDIUS DAWSON: Zealous reformer of student body ills . . . staunch member of Student Government . . . firm with opponents, but . . . unfailingly courteous.

WALTON THOMPSON: Unglorified leader with a major responsibility . . . president of college Y. M. C. A. . . . soft-spoken . . . modest and self possessed.

BOB POMERANZ: Accomplished worker with unceasing vitality . . . ambitious . . . industrious and persuasive leader of men.

of the Year

BILL WOMMACK: Clever parliamentarian . . . Golden Chain prexy . . . a politically astute mind beneath an unobtrusive exterior . . . suave diplomat.

BOB BOYCE: High man among campus offices: Student Body president . . . champion of the underdog . . . courteous . . . force behind the Student Book Exchange.

JIMMY KELLY: Ingenious editor of the irreplaceable *Wataugan* . . . flashing wit . . . cheerful in outlook . . . willing and able to bear responsibility.

JIM MARTIN: Dignity personified . . . president of Blue Key . . . eliminator of non-essentials . . . rock-like integrity . . . gentleman with a mind and a way.

BOOK TWO

The Corps

WE have room in this country for but one flag—the stars and stripes. We have room for but one loyalty—loyalty to the United States. There can be no fifty-fifty Americanism. There is room here for only 100 per cent Americans and nothing else.

—THEODORE ROOSEVELT.

HONOR • CITIZENSHIP AND LEADERSHIP

MILITARY

Once again the United States is in armed conflict, and once again the sons of North Carolina State will go out to battle, to brace the defense of their country and to die for what God has taught them is right. Soon after the perilous days of Pearl Harbor, men directly from R. O. T. C. class rooms at State College had already distinguished themselves in battle. Here, in the class rooms and on the drill field, is nourished the food for fight; it is the cadets from the corps of North Carolina State College who will carry a portion of this fight. Courageous of heart and sound of mind and body, they will go into all branches of the armed forces. It is they who have ever been, and who ever will be, a source of inspiration and pride to this, their Alma Mater, and to their State, and to their Country.

THE BAND AND THE DRUM AND BUGLE CORPS

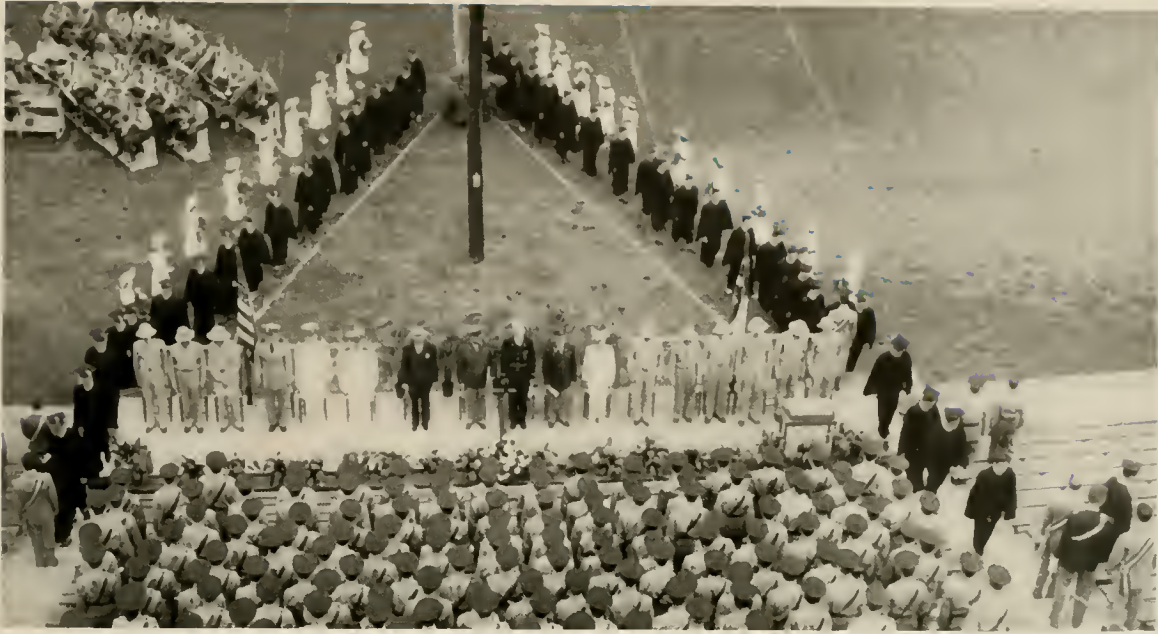

Vital to every parade and every function of the entire Military organization are the Band and the Drum and Bugle Corps. Serving year after year with excellent performances, they are considered one of the most outstanding units of their kind in this section. The Band and Drum and Bugle Corps are composed of all basic military students who show an aptitude to music.

MILITARY GRADUATION

First military graduation in the history of State College was solemnized when nearly two hundred seniors received commissions last spring in the United States Army.

THE SERGEANTS

An efficient group of regular army sergeants carry out much of the administrative work necessary to the successful functioning of the Reserve Officers' Training Corps.

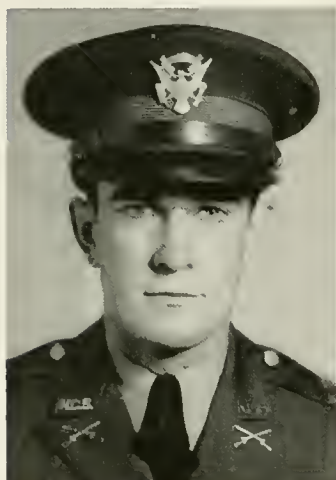

OFFICERS' CLUB

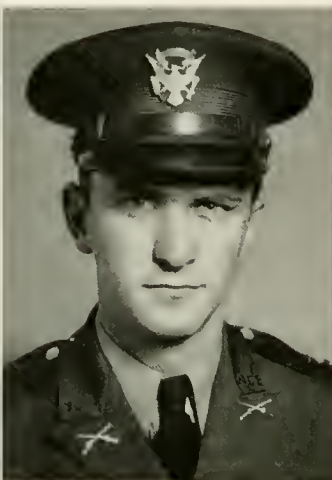

The Officers' Club was founded at State College in the fall of 1940. The membership consists of all advanced R. O. T. C. cadets, as well as alumni who hold commissions in any branch of the armed forces of the U. S. Army, Naval ensigns stationed at State College are also eligible for membership. The purpose of the club is to help in the selection of basic students to receive the advanced course. This is done by a board of governors, headed by the president of the club. At present, the primary purpose of the club is to help win the war. This purpose was backed by the full-hearted coöperation of all the members of the club. The outstanding social function of the club is the Officers' Club Ball which takes place in the winter of the school year. A military parade precedes the annual ball, at which time an honorary lady-cadet colonel, selected from the sponsors of the ball, reviews the troops.

The Naval Reserve Officers' Club was organized this year on the State College campus. All of the members are Ensigns in the Naval Reserve and also Seniors in College.

The purpose of the club was to bring together the officers and to give them many of the Naval Customs and Regulations. Many "old salts" gave advice during the year. This helped to prepare the men for their specialists' tasks on carriers, battleships, destroyers, and the other "Men of War" of the United States Fleet.

Ten of the officers were on active duty during the summer of 1942 in schools and Navy Yards in all sections of the country. Their experiences were invaluable to the other members of the club.

In this, the 1943 AGROMECK, we have tried to give to you a reflection of student life as lived at our Alma Mater, North Carolina State College. Due to the speed-up program, we have been forced to hurry our date of publication so that the usual chaos out of which a college annual is born has become even more pronounced. Consequently, there are many things in this college yearbook which could be vastly improved under more normal conditions; there are some elements, such as a full account of winter athletics, which we have been forced to omit so that THE AGROMECK would be ready for those seniors graduating in March. There are other shortcomings, but none of them have been established without the sincerest and most arduous effort to avoid them. But it is not our purpose to build excuses for something that has been so close to our hearts during the past months. Here it is: THE 1943 AGROMECK. We hope you like it.

In 1936, C. D. Delamar and F. E. Mak founded the *Southern Engineer*. The first issue was almost pamphlet-like in its size. However, it was soon enlarged to regular magazine size. It was then supported by the popular subscription of the student body. In 1938, the magazine having won the popular support of the student body, the Engineers' Council voted unanimously its support. Every engineering student became a subscriber. The purpose of the *Southern Engineer* is to provide an outlet for those students who possess journalistic and literary ability, to keep the student acquainted with the progress and development of the engineering profession, and to band together in stronger unity the student engineer with the practicing engineer.

For 17 years *The Agriculturist* has been the written voice of the students of the Agricultural School. This publication appears twice during a term during the school year with the purposes as set forth by the students, of maintaining closer relations between the faculty and the students, keeping the alumni and extension department members posted as to the work of the Agricultural School, and promoting a closer contact with the citizens of the state. This publication has proven to be a splendid channel for publicizing the college and the Agricultural School.

With the aid of the first faculty adviser which the *Wataugan* has ever boasted, this year's magazine has attempted to give the students a type of humor that would appeal to them and at the same time afford an opportunity for students with literary ability to express themselves in light, well written short stores. By maintaining one of the largest exchange mailing lists the *Wataugan* has ever had, the staff has exchanged ideas and views as to how the ideal college magazine should be edited. Through this exchange system, the staff is kept in constant contact with the leading college magazines of the nation.

The Textile Forum is the first textile school magazine to be published on a large scale; there being only two in existence today. Last year, the first year of publication, the magazine met with great approval from both students and men in the textile industry. This year many improvements have been made, and the magazine has grown in circulation and size, thanks to the effort of a conscientious staff.

Blue Key Honor Fraternity recognizes outstanding qualities in character, scholarship, and service, with greatest emphasis placed on leadership in student activities. Composed of the outstanding men in every student group, its main purpose is to inter-relate the actions of these men and the groups toward the common campus good. In 1942-43, Blue Key co-sponsored a great combined Homecoming and Greater University Day celebration — was responsible for building student spirit through the weekly Pep Rallies during football season — also sponsors the annual Frosh-Soph Pushball contest.

It is the purpose of the Student Government to handle all matters of student conduct, honor, and general student interest; and to promote in campus life self-control, personal responsibility, and loyalty to the college and to the student body. Every duly registered student of N. C. State College automatically becomes a member of the Student Government and is subject to the jurisdiction of its legislative branches. Each undergraduate at the time of his enrollment must sign a pledge accepting his part in the Student Government and pledging his support to the cause.

The article of the Student Government had its origin at this college in 1921. Since that time there have been revisions made in order that changing conditions and needs might be adequately coped with, but the principles of student participation have remained unchanged. The Student Government is valuable to the students in that it develops a sense of responsibility in the student and trains him along lines which are conducive to good citizenship.

Pine Burr Society (Scholarship) was founded at the North Carolina State College in 1922, and in addition to being solely a State College organization is the first and oldest all-college honorary fraternity on the campus.

Membership in Pine Burr is a much coveted honor. Members of Pine Burr are selected from the body of students who have not failed a course in college, and who have a cumulative scholastic average of eighty-five per cent or better upon completion of two years of work at State College.

Pine Burr Society's objective is two-fold, namely, the promotion and encouragement of high scholarship throughout the institution, and the stimulation of increasing fraternity among all serious searchers after learning and truth. As practical projects this year, Pine Burr has published a booklet for students entitled *How to Study*, and sponsored the World Student Service Fund campaign in order that college students in foreign countries might prepare themselves for leadership service in the post-war world.

The North Carolina chapter of Alpha Zeta, national honorary fraternity, was established in 1904. Alpha Zeta's first chapter was founded at Ohio State University in 1897. The members are chosen from the upperclassmen of the School of Agriculture who have a scholastic ranking in the upper two-fifths of their classes. The limitation for membership also requires that only those students who possess outstanding qualities of character and leadership be admitted. The chapter is always striving for the advancement and betterment of the Agricultural School and all the agricultural endeavors.

Tau Beta Pi is a national engineering association founded at Lehigh University in 1885. The Alpha Chapter was installed here in 1925. Membership is made up entirely of engineers, and although scholarship is a primary requisite for election, consideration is made of the candidate's personal qualification and his general interests both in the engineering field and without. To be elected into Tau Beta Pi is one of the highest honors that can be bestowed upon a student engineer.

Organized in 1926, the Engineers' Council is made up of representatives from professional engineering societies of various departments in the school of engineering. It sponsors the *Southern Engineer*, only engineering journal in the state. Each year it sends delegates to conventions of professional societies. It tops the year with the Engineers' Brawl, and the knighting of Saint Patrick.

The American Society of Civil Engineers is the oldest national engineering society in the United States, and has done much toward coördinating the interests of students and practicing engineers. The student chapter strives to help the young engineer attain a more professional attitude toward his work and each year many prominent engineers are brought before the group to lecture on the new phases of civil engineering work. One of the primary objectives of the chapter this year has been to bring the students and the faculty into a closer relationship in order that each may better understand the problems of the other. Student talks have been especially encouraged as the fellows will tell more of interest to the students concerning the various projects on which they were employed.

The North Carolina State College branch of the Institute of the Aeronautical Sciences is a steadily growing organization both in members and importance. Each year men are initiated from the junior and senior classes as members and from the sophomore class as associate members into the society. This year the society has the greatest total membership since its installment. One of the purposes of this organization is to develop initiative and ability in its members and to give these students a more extensive knowledge of the rapidly changing problems that concern the Aeronautical engineer.

Phi Eta Sigma recognizes exceptional excellence in scholarship among Freshmen. Membership is the highest honor that a Freshman can receive at State College. This year Phi Eta Sigma helped tutor Freshmen in math, chemistry, and English. Also it encouraged higher scholarship among Freshmen by means of pamphlets.

Sigma Pi Alpha is an honorary language fraternity founded at State College. Membership is limited to those with an unusual interest in languages, a high honor language average, and an honor average in general scholastic record. It promotes scholarship and fellowship among language students, sponsors speakers, shows travel films as a cultural aid on the campus. This year the chapter is inaugurating a program designed to bring about a closer relationship between foreign born students and the members of the fraternity.

Keramos has as its aim the big brother idea toward Ceramic freshmen. It is also striving to promote ceramics and scholarship among underclassmen at State College. The outstanding idea for a project is based on the idea that the North Carolina chapter begin a series of research problems that would last for two or three years. This research is carried on in the laboratory as well as in the library.

Theta Tau is a professional engineering fraternity of college students. Its members are chosen for their character, integrity, leadership, and scholarship. The true purpose of these standards is to limit membership to men who possess the qualities which will make them outstanding in their profession.

Rho of Theta Tau has participated as usual in campus activities promoting the welfare of the school; such as decorating the stadium for Homecoming day, registering high school seniors on High School Day, sponsoring Little Theater Membership drive. Also there have been the usual chapter functions. Among these are the socials, initiation of new members, and the publishing of a newspaper for the Alumni.

Mu Beta Psi, National Honorary Music Fraternity, aims to promote a better fellowship among the musicians of the various musical organizations of the college, and to advance music to its proper recognition as an educational subject. Meetings are held twice each month in the interest of improving the musical standards of the organization, and in promoting various musical activities as an important factor in campus life. Mu Beta Psi sponsors a number of campus concerts throughout the year and furnishes ushers for Civic Music concerts.

Sigma Tau Sigma is the honorary scholastic textile society whose purpose is to promote scholarship among the textile students and raise even higher the standards for the textile industry. Among the many projects sponsored by Sigma Tau Sigma is the obtaining and placing upon the walls of the textile school many pictures of the textile industry. Sigma Tau Sigma also aids in the annual style show and awards a scholarship cup each year to the senior who has the highest average for four years in the textile school.

The activities of the Industrial Engineering Society for the past year were, for the most part, studies of industrial engineering problems. These studies were made with the aid of motion picture slides, and speakers. Typical industrial engineering problems are the elimination of waste; to bring about a better understanding of the mutual interests of government, management, investors, labor and the public; and to promote higher collective and individual conception of social responsibility.

The purpose of Gamma Sigma Epsilon, national honorary chemical fraternity, is to unite those men of a high scholastic grade in chemistry and to increase interest and scholarship in chemistry and promote friendship and general welfare among chemists. This year steps have been taken to help freshmen having trouble with general inorganic chemistry.

The Alpha Sigma Chapter of Kappa Phi Kappa was founded on the State College campus on April 10, 1931. Kappa Phi Kappa is a professional education fraternity whose purpose is to promote the cause of education by encouraging men of sound moral character and recognized ability to engage in the study of its principles and problems. For the furtherance of the above purpose the fraternity emphasizes among its members social intercourse, scholarly attainments, and professional ideals.

Eta Kappa Nu is the national electrical engineering honorary fraternity. Requirements for membership are marked ability as evidenced by scholarship and individual attainments, and qualities which indicate that the student will be a success in electrical engineering.

Eta Kappa Nu stimulates and rewards high scholarship—awards a prize to the outstanding student in the Sophomore electrical engineering class—coöperates with A. I. E. E. in all its activities—keeps a personal data record of all electrical engineering graduates—sponsors electrical engineering coaching classes for the Sophomores—has a chapter room in Daniels Hall—and does everything it can to help fellow electrical engineers by improving the standards of the profession, the course of instruction, and our institution.

Lambda Gamma Delta is an honorary agricultural fraternity. In order to become a member of one of the chapters the student must have been a member of a team competing in an inter-collegiate student judging contest of agricultural products, or made a special showing in promoting agricultural projects. Besides promoting inter-collegiate judging, the organization strives to further interest in judging on the campus by sponsoring a contest each spring in connection with Livestock Day for underclassmen.

This newly founded honorary mechanical engineering fraternity is now well established on the campus of State College. The object of this organization is to foster the high ideals of the engineering profession, to stimulate interest in coördinating departmental activities, and to promote the mutual professional welfare of its members. Chapter fraternity has been built, a Pi Tau Sigma Bulletin Board has been placed in Page Hall, and letters of encouragement have been sent to all M. E. Freshmen and Sophomores in an effort to stimulate departmental activities. A Mechanical Engineering Handbook is given each year to the Sophomore having the highest average. The fraternity conducted a banquet for the State organization of heating and ventilation engineers, and two very successful initiation banquets were held at which time several outstanding faculty and professional men were initiated. The fraternity has given full support to all departmental and A. S. M. E. activities.

This organization, the national technical society of the ceramic industry, was organized in 1889 by six undergraduates in the first department of ceramic engineering established in the world, at Ohio State University. It has since shown a constant and healthy growth, and has become one of the outstanding technical organizations in the country.

The North Carolina State College Student Chapter of the American Institute of Chemical Engineering was organized under its present constitution in 1930. Its purpose is to promote the ideals of the chemical engineering profession, to maintain a high student standing among its members, and to aid in the advancement of the engineering school as a whole.

Its activities are directed toward broadening the interest of its members by having as speakers practicing engineers, and toward promoting good fellowship among its members.

All students in the Textile School.

The Tompkins Textile Society is a professional organization which was founded at State College for the purpose of having a place where students might discuss textile problems and other subjects connected with the textile industry. Meetings are held weekly, and at various times during the year prominent men in textiles address the society. In this manner students come in contact with men who are experienced in the textile field and can obtain valuable information from them. During the spring term, the Textile Department conducts an exposition, and the Tompkins Textile Society takes an active part in this activity. The textile show features a fashion show in which students from various girls' school in the state participate. All of the material for the dresses used in this parade is designed and woven by State College students.

The North Carolina State College Chapter of the Future Farmers of America was founded at State College to draw together those students studying toward a degree in agricultural education. It seeks to develop the professional attitude of its members by discussions on the latest phases and trends in agriculture at its regular meeting.

MEMBERS

All students who are registered in the School of Agriculture and Agricultural Education.

The Agricultural Club, which has shown through its record of achievement and success that it deserves the position of prominence which it has obtained in the official organization of the School of Agriculture. It strives to bring the members of the various department in the School of Agriculture together in understanding each other's problems. This past year has been a very active year for the members of this group. A radio program is prepared each week, and the Ag. Barnwarming is one of the social highlights of the year. The club also presents the student Ag. Fair and Livestock day. The official publication of the Ag. Club is the *Agriculturist*, published by the students of the club.

The Society of Agricultural Chemists was organized in the spring of 1940 with some two dozen members. From the beginning the society has been fortunate in having the encouragement, interest and advice of Prof. G. H. Satterfield, Dr. A. J. Wilson, and other members of the faculty of the chemistry department.

The aims of this organization are to present to interested members of the faculty and student body, speakers prominent in chemistry and closely allied fields and to stimulate greater interest in Agricultural and Soil Chemistry.

Since the time of its organization, the society has sponsored several nationally famous speakers, a number of local speakers on topics of general interest, and inspection trips to nearby points of scientific importance.

BOOK THREE

Fraternities

To live with men of diversified interests, to know them and to be able to adjust oneself to their ways, and to share their feelings and emotions is the essence of true brotherhood. This is real life.

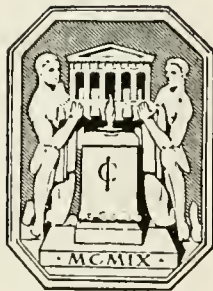

May the true understanding of the word "BROTHER" and the memory of those precious days spent learning it be the force that will drive us through Life with added purpose and determination.

Sigma Nu originated from the Legion of Honor, a secret society organized in 1868 at the Virginia Military Institute. The four founders were moved by idealistic hopes, and they founded a society which would inculcate honor and mutually benefit its members. Since its founding the fraternity has prospered and at the present time, there are 99 active chapters throughout the country. It is the oldest fraternity at State College. Beta Tau chapter having been installed here in 1895. The purpose of its founders was "to establish through the warm friendships of a group of congenial college men, on the foundation stone of honor, ideals of intellectual achievement, character, and social development, all to the end of becoming better men and better citizens."

Seventy-two years ago William Grigsby McCormick, former head of the McCormick-Deering Corporation, together with five friends, established the first chapter of the Kappa Sigma fraternity in America, on the beautiful campus of the University of Virginia. Kappa Sigma was first founded at the University of Bologna in 1400. Since its beginning here in America, it has expanded tremendously with 113 active chapters. More than 41,000 living active and alumni members now wear the star-and-crescent badge of the order. Beta Upsilon was established at North Carolina State in 1903 and since that time has initiated about 290 men. The Easter egg hunt given annually for underprivileged children is a typical project of the chapter. The fraternity publishes two periodicals, namely, *The Caduceus*, a monthly magazine for its members, and the *Star and Crescent*, secret quarterly publication.

Kappa Alpha Order was founded at Washington and Lee University in 1865 to perpetuate the Southern ideal of gentlemanly character as exemplified by General Robert E. Lee, its Spiritual Founder. The fraternity is patterned on an order of knighthood, and members are expected to conform to the discipline of the order and to cultivate the graces of the Southern gentleman. Kappa Alpha restricts its field to colleges and universities below the old Mason-Dixon Line. At present there are 69 active chapters of the fraternity. Alpha Omega Chapter publishes the *Rose and Magnolia*, a monthly newspaper containing timely news of the brothers and alumni.

On March 1, 1868, Pi Kappa Alpha fraternity was founded by six students at the University of Virginia. These six men had long been close friends, going through the Civil War together. Wishing to perpetuate their friendship they founded the Pi Kappa Alpha fraternity. Pi Kappa Alpha has always encouraged scholarship, maintained a high spirit of fraternalism among its members and engaged in all college activities in a sporting manner. The colors are garnet and gold and the flower is the lily of the valley. Since Pi Kappa Alpha's birth at the University of Virginia, it has prospered until chapters are at all the leading colleges and universities of the country; until now there are seventy-four active undergraduate chapters and eighty-four alumni chapters.

Sigma Phi Epsilon, national Greek letter social fraternity had its inception at Richmond College (now University of Richmond) in Richmond, Va., on November 1, 1901. It was organized by six friends gathered together as a purely social organization and known as the Saturday Night Club. The principle of good fellowship was the keystone. Affiliations were made with Chi Phi fraternity to establish a nation-wide fraternity of Sigma Phi Epsilon. There are now 72 active chapters throughout the country with a total membership of over 22,000 members. The local chapter was the thirteenth chapter installed in the country, on March 4, 1905.

Delta Sigma Phi, national social fraternity, was founded at the College of New York City on December 10, 1899. There are now fifty chapters, totaling a membership of some eight thousand. Thirty-nine chapters own their own homes, with a total valuation of \$950,000. There are twenty-one alumni chapters. On May 10, 1915, Rho Chapter was installed at N. C. State College. This chapter was formed from a local organization, Gamma Alpha Nu Gamma, commonly known as the Gang. This was an organization of three years' standing. The fraternity observes a conservative expansion policy. Petitioners must meet legitimate scholarship, chapter organization, and house ownership requirements. Membership is limited to college men of the white race whose ideals and beliefs are those of modern Christian civilization.

Alpha Gamma Rho is a national social fraternity, and was founded in 1908 at Ohio State University for the purpose of developing the best social, mental, moral, and physical qualities in each fraternity brother. There are now thirty-six chapters of Alpha Gamma Rho. Nu chapter, before becoming national in 1919, was the local fraternity Theta Beta. One of the highest aims of Nu chapter is outstanding scholarship, and all members are expected to develop a high standing. The national publication is *The Sickle and Sheaf*, and the chapter publication is *The Crescent*. The national organization awards annually to the chapter with the highest scholastic average a plaque which has been won by Nu chapter four times. Nu chapter has also won the Interfraternity Scholarship Cup three times in the last seven years.

Pi Kappa Phi was founded at the College of Charleston in South Carolina, December 10, 1904. It was a concrete and permanent result of a friendship that had flourished since the elementary school days in the environs of one of the South's oldest towns. With the definite purpose of extending the influence of the organization, the incorporations as a national fraternity took place in 1907. From the inception, the growth of the fraternity has been steady and consistent. The purpose of the fraternity is "to promote fellowship and mutual trust among its members, to uphold the traditions and ideals of the college where its chapters are located, to encourage excellence in scholarship, and to inculcate in its members the highest ideals of Christian manhood and good fellowship."

Sigma Pi, national social fraternity, was founded at Vincennes University, Vincennes, Indiana, February 26, 1897. The purposes of its founders were "To organize the most worthy activities, social, athletic, and scholarly, and to set a high standard of manliness and college loyalty." The fraternity now has thirty active chapters located in eighteen different states. Twenty-four chapter houses are owned by the fraternity, representing an original investment of \$650,000, exclusive of furniture, and so forth. Rho Chapter was installed at State College in 1921. The chapter owns its own chapter house located at 2513 Clark Avenue. During the past year, Rho Chapter won the Blue Key-Golden Chain Homecoming decoration trophy.

Phi Kappa Tau, national social fraternity, was founded in 1906 by four outstanding students of Miami University, Oxford, Ohio. The fraternity and its ideals were drawn up by Dwight I. Douglas, William H. Shidler, Taylor A. Borradaile, and Clinton D. Boyd. Chi chapter at North Carolina State was granted its charter in 1923. Before that time the chapter was a social fraternity made up of outstanding textile students. The local was called Phi Psi Lambda. Phi Kappa Tau was founded to break up a monopoly of student elections which was held by fraternity unions. The growth of the fraternity has been slow but consistent. Phi Kappa Tau now numbers forty-three active chapters throughout the country. The fraternity has the distinction of not having a single dead chapter. There are alumni chapters located in many of the larger cities.

Founded at Boston University in 1909, the Lambda Chi Alpha has expanded until it now has one hundred and nine active chapters. These chapters are established at most of the prominent colleges and universities throughout the country. Lambda Chi Alpha chapters in this state are located at Duke, Wake Forest and at the University of North Carolina. Every year these chapters, together with the State College chapter have "get-togethers" in the form of track meets, picnics, dances and house parties.

Alpha Lambda Tau was founded at Oglethorpe University in 1916. It was the first fraternal organization at that institution following its reorganization in the same year. Originally formed as the Alpha Lambda Club, it was later decided that the fraternity should become a national order, and was incorporated under the laws of the State of Georgia as Alpha Lambda Tau. There was at first an idea that the fraternity would never go north of the Mason-Dixon line, but this was disproved in the 1927 national convention, at which a charter was granted to a group at the University of Illinois. Zeta chapter was installed at North Carolina State College on January 22, 1925. Since that time it has grown steadily and its members have taken an active part in campus affairs. There are alumni chapters located in many of the larger cities. The chapter owns its own house which is located at 10 Enterprise Street.

Alpha Kappa Pi fraternity was organized at Newark College of Engineering, Newark, New Jersey, on January 1, 1921. Phi Delta Theta and Alpha Kappa Pi, two local fraternities of Wagner College and Newark College of Engineering, had the same idea of securing advice from Dr. Albert Hughes Wilson concerning their joining a national fraternity. Dr. Wilson advised these representatives to go back to their respective colleges and consider the benefits accruing from the organization of a general fraternity of their own. As a result of Dr. Wilson's suggestion, the two locals formed their own national organization on March 23, 1926. Since that date Alpha Kappa Pi has expanded to twenty-five chapters in all. Xi chapter of North Carolina State was issued its charter in 1931, and since then has been very active on the campus, and has grown rapidly. It has ranked first in scholarship for three years, as indicated by receiving the Interfraternity scholarship cup.

Sigma Alpha Mu was founded at the College of the City of New York on Thanksgiving Eve, November 26, 1909. The object of the fraternity as written in its constitution is "to form a close social and fraternal union of Jewish students of the various universities, colleges and professional schools in America; to foster and maintain among its sons a spirit of fraternity, a spirit of mutual moral aid and support; to instill and maintain in the hearts of its sons love for and loyalty to Alma Mater and its ideals; to inculcate among its sons such ideals as will result in actions worthy of the highest precepts of true manhood, democracy and humanity." The State College chapter of Sigma Alpha Mu is the outgrowth of a local Jewish fraternity, Theta Phi, which had its beginning in 1929. From its beginning the fraternity has maintained high standards of scholarship and conduct.

Chi Sigma, a local fraternity organized on the campus in January 1941, under the sponsorship of Dr. W. B. Ricks, the Grand Consul of Sigma Chi. It has as its goal, a chapter of Sigma Chi at North Carolina State. Chi Sigma will function as a local fraternity until such time that it is granted a charter by the National Fraternity of Sigma Chi.

BOOK FIVE

Athletics

THE lessons learned in athletic competition of all kinds will be treasured long after the record of wins and losses has passed with our youth. Let us hope that as a result of participation we have become better men and better Americans.

WILLIAMS "DOC" NEWTON, *Head Coach of Football and Baseball.*
PHIL DICKENS, *Backfield Coach.*
(Basketball Coach Jay, missing.)

Although it is the athletes themselves who are deserving of much of the glory won in the field of athletic competition, it is to the coaches that we dedicate this section of the 1943 yearbook. To those men whose chief

motive in life is the building of stronger and better men, truer competition, and cleaner sportsmanship—to our coaches here at State College and to that type of men everywhere, we dedicate this section of our 1943 AGROMECK.

Coaches Hickman and Newton take an estimate of the situation from the bench.

Membership in the Monogram Club is open to those students who have earned one or more monograms for their success as athletes in North Carolina State's varied athletic program. Being one of the most active organizations on the campus, it sponsors Dad's Day, gives the Annual Monogram Dance, and co-sponsors State's annual food drive. Its purpose is to promote better athletic programs and to establish a closer contact among its members.

FOOTBALL

CO-CAPTAINS

MARION STILWELL

JIMMY ALLEN

At the beginning of the 1942 football season, the outlook for a bright grid season at State College was promising. Fourteen lettermen reported for early camp on the first of September along with numerous holdover reserves and freshmen who were to prove themselves invaluable to the new edition of the Wolfpack before the season was to be over. Jimmy Allen, pivot boss, and flankman Marion Stilwell had been selected to co-captain the new squad. Under their exemplary performances, new stars on the Wolfpack eleven were to rise, and the older stars of the squad were encouraged to polish themselves toward perfection on the football grid-

Two strong lines vie for potency in Duke-State tilt.

iron. Although the spirit among the players and among the student body ran to a new high, the Wolfpack closed the '42 season with just four wins, four losses and two ties, both ties occurring with other Big Five teams.

STATE 0—DAVIDSON 0

On a torrid, summer afternoon in early September, the much publicized Wolfpack went up against a scrappy Davidson team in Wilmington, N. C. The Wolves entered the game favorites but didn't proceed to show why. The Pack was in Davidson's territory most of the first period but couldn't cross the pigskin over onto fertile soil, being forced to give the ball up on fourth down every time it got into scoring position. Art Faircloth, boot artist, turned in a talented display of coffin-corner punts, four successive kicks going out within the ten-yard line. In the second period, the Wildcats assumed the initiative and made several first downs before the Wolves decided to hold until the half ended. There was little action in the third quarter as both teams battled on even terms. It was not until the final quarter that the Wolves made a real scoring bid. After pounding hard at the Cats' line, State was finally forced to give the ball up on the eight-yard line, ending a stubborn battle in a 0-0 tie.

STATE 13—U. OF RICHMOND 0

The Wolfpack showed its teeth to the Richmond Spiders and ripped its way to a 13-0 victory. Displaying power in every department,

the spirited Wolves proved themselves to be too powerful for the not-so-mysterious T-formation sported by the Spiders. Neither team threatened in the first period, both teams feeling the other one out. However, just as the first quarter was drawing to a close, the alert Benbenek intercepted a Richmond pass and returned to the Spiders' 40-yard line. As the second period opened, the State machine began to function as it moved the pigskin to the enemy three-yard stripe. However, the Richmond team tightened its screws and held the Wolfpack at this point for four downs. Richmond kicked out, and again State threatened time and time again; Faircloth's 40-yard gallop was put down as nil since the half ended before the State eleven could push it over from the eight. The Wolfpack came to life with a rush in the second half and quickly tallied two touchdowns. In the middle of the third period, Faircloth heaved an aerial to Dick Callaway who made a beautiful catch and galloped over the goal line. In the fourth quarter Doak began his demonstration of catching a punt on the "downfield run," and with his unusual talent of catching a punt over his shoulders and then galloping back deep into enemy territory, the Wolves were soon threatening again. Faircloth, Clark, Senter, and Teague subjected the Spiders' line to bruising smashes until it finally weakened when Eddie Teague pushed the ball over from the seven-yard line for the final score of the game. The line play of Caton, Stilwell, and Gibson throughout the entire game was due much commendation.

STATE 7—CLEMSON 6

The Wolfpack played one of its best games of the year when it trounced the Clemson Tigers in Charlotte for the first time since 1932. Before a near capacity crowd who packed the Memorial Stadium, the Wolves completed a sound job on taking revenge upon an old opponent. From the starting whistle, State had advantage of its rival and kept this advantage throughout the game. On the first scrimmage play of the game, Doak took a pass from Art Faircloth and scampered to the Clemson 1-yard stripe before being pulled down. However, State failed to reach pay dirt as they did two other times during the game when they were in the shadow of the Clemson goal. State began its victory march when it took Clemson's punt on its 45-yard stripe from which Allen, Teague, and Joe Suniewick quickly advanced the ball all the way to the one-yard line. From here, George Allen bucked over for the score, and Eddie Teague added the all important extra point. Clemson came right back with a touchdown to match State's when Clark took a pass from Byers, but the attempt for the extra point failed, giving State a well-earned victory. Taylor Moser, Dink Caton, and Bolo Stilwell stood out in the line for the fighting Pack.

STATE 7—N. C. PRE-FLIGHT 20

On a cool, mid-October night, the much-talked-of Pre-Flight School from Chapel Hill met the Wolves in Riddick Stadium before a large, curious audience who assembled mostly just to see the marvel team from Chapel Hill function. After the first six plays of the game had elapsed, many of the spectators thought that the Pre-Flight Eleven was certainly everything which it was cracked up to be, for it took them no longer than these few plays before they had the Wolfpack on the underside of a 6-0 score. But the boys playing for the Pack had just

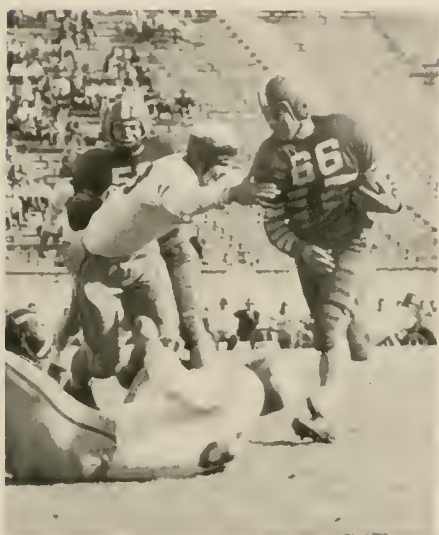

Faircloth picks up coveted yardage for State at Durham.

These men keep State's athletic teams rolling: David Clark, "Doc" Newton, and H. A. Fisher.

wrong man.*

begun to fight. After Faircloth had kicked to the Cloudbusters' 14, Goodreault fumbled on the five. John Wagoner pounced upon the pigskin and State was in scoring position. As the crowd stood on its feet, Bill Moser, hard-smashing reserve, crashed over for the score. Faircloth's extra point try was good, and the half ended with State College on the top-side. However, in the second half, the better physically conditioned Navy men continued their original pace, and the Wolves began to tire against the Pre-Flight team. The long passes from the true arm of ex-all-American, Len Eshmont, set up the final two touchdowns for the Cloudbusters, and the game ended 20-7. That night, there was not one man in the State line who did not play a hard, determined game in spite of the much heavier Navy team.

STATE 0—WAKE FOREST 0

As the climaxing event of the annual Raleigh Merchants' Day Festival, the State-Wake Forest grid tussle drew 15,000 fans to watch a hard fought football tussle which ended in a 0-0 tie. The battle was a seesaw affair from the beginning, with both teams displaying very powerful lines. The Wolfpack made its strongest bid for a score in the fading minutes of the first half. With Teague doing the passing, the Wolves moved to the Deacons' 34-yard line, where Eddie heaved another pass that Burtner made a beautiful catch of and dashed to the two-yard stripe. The half ended at this point before another play could be started. The Deacons' principal threat came in the third period when it managed to move to the State four. The Wolfpack's line became firm and held. From here, neither team commanded any telling advantage, and the game ended in a scoreless tie.

STATE 0—HOLY CROSS 28

State journeyed to the far north for its next encounter with a team which had made only weak showings against its other opponents. Pre-game ratings showed that Holy Cross should be a breather for the Pack, but before the day was done, the Wolves, playing in a strange part of the country, had lost a very decisive battle. Forced to ride day coaches due to transportation difficulties, the Pack was weary from travel when it walked onto the playing field at Worcester, Mass., to meet the Holy Cross eleven. Under the versatile performance of Bezemes, the heavy Crusader eleven racked up four touchdowns while the Pack failed to tally once. Pisano, Faircloth, Burtner, and Suniewick stood out for State College in Worcester.

STATE 21—U. N. C. 14

As an added bit of spice to the gay celebrations of Homecoming, State College added a prominent victory over the University of North Carolina in a highly rated football classic. From the beginning, it was the Wolves' ball game, and they were enjoying it. State started its scoring in the second quarter when a successive series of

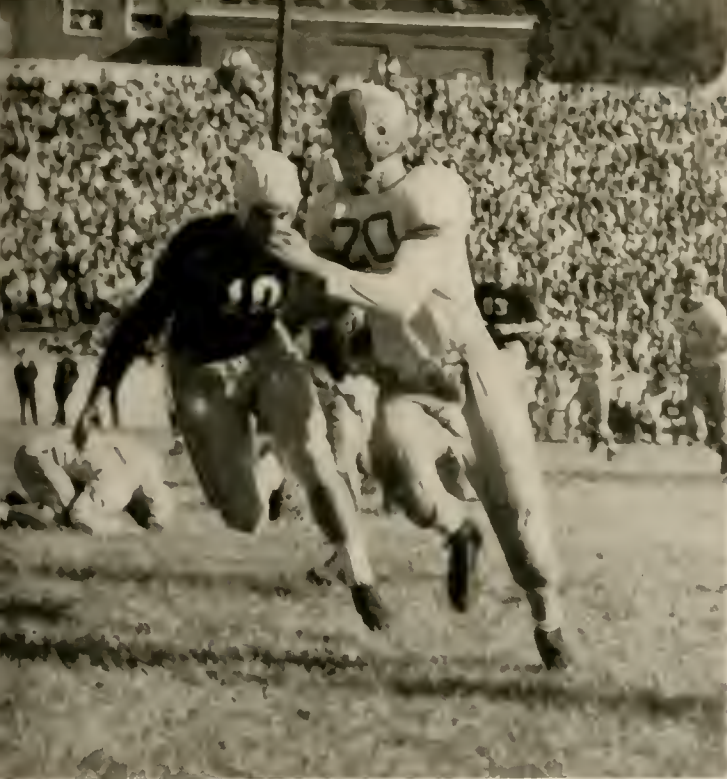

MOSER

MILLER

State players close in on galloping Tom Davis.

Wingback Foy Clark gets started toward pay dirt against "Chapel College."

plays had put the ball on the Carolina 17-yard line. Then, on a highly polished hidden ball play, Art Faircloth nonchalantly walked all the way through the Carolina team and crossed the goal line standing up while many of the spectators along with the entire Carolina eleven tried to locate the ball. Later in the same period, Faircloth tossed an aerial to Co-Captain Bolo Stilwell who had skipped into the end zone for the second touchdown. Both the extra point tries were good, and State was out front 14-0. Late in the second period, the vaunted Carolina air attack began to function. Pupa heaved a 43-yard pass to Austin who took it on the 15 and ran across the goal line to score for Carolina. The try for extra point was good, and the

half ended 14-7. The Wolves came out after intermission and proceeded with their demonstrations in showing who was boss that afternoon. Joe Suniewick set up the third State score in the third period by returning a Carolina punt 23 yards to the Tar Heel 23. Using the hidden ball play again, Faircloth made a first down on the 13. Allen then hit the line for four yards to which Bill Moser added the third touchdown for State. The extra point try was good. At the start of the fourth quarter, Carolina started a determined drive that ended in a touchdown plus the added extra point. The rest of the game continued to be a seesaw battle, but the determined Wolves combined skill and finesse to keep the Tar Heels out of scoring position. One of the most exciting games yet played in Riddick Stadium ended in a 21-14 victory for the Wolf-pack.

GEORGETOWN 28—STATE 20

In one of the roughest and most toughly lost games of the season, State College's strong eleven fought the smooth functioning Georgetown Hoyas to a 28-20 score which ended as a Hoya victory. Sparked by an unheralded triple-threat halfback, Joe Gyorgydeak, who scored three Hoya touchdowns, the Georgetown eleven held the upper hand through most of the game. Bolo Stilwell, State's ace flank man, blocked a Georgetown punt in the opening period to set up State's first score. "Bustin" Buck Senter carried the ball through the line for the tally, and Eddie Teague, who paced the Wolfpack's attack throughout, added the extra point by placement. Later in the third period, Faircloth, passed the Wolfpack to the Georgetown 27 on four plays starting from his own 10, then danced through the line for the count. Faircloth also converted for the extra point. After Georgetown had already picked up its 28 points, the Wolfpack came back later in the fourth on passes from Teague to Charlie Riddle. A penalty on George-

CATON

J. GIBSON

FRY

town put the ball on the Hoya three, and Cecil Fry cracked over for the final touchdown.

STATE 2—MIAMI 0

A tremendous Miami line and a tropical rain storm was not enough to stop the battling Wolfpack in a game played in the Orange Bowl at Miami, Fla. Although some experts had picked the heavier Miami team to win, the Florida team was unable to cross the State goal line once. Although the bitterly fought game ended in a victory for State, several Wolfpack players were injured, Dick Callaway, ace wingback, receiving a broken arm which kept him out during the remainder of the season. State's two points came when Big Ed Gibson charged through the Miami line like a maddened water buffalo and blocked a Miami punt in the fourth period. The ball rolled out of the end zone for a safety and two points for State College, giving the Wolfpack another victory.

STATE 0—DUKE 47

The student body spirit rose to a new all-time peak as the date arrived for the State-Duke tilt. At kick-off time, a vast number of the Student Body had assembled in Duke Stadium to watch the two teams do battle with the near assurance that this time it was State's turn to carry the show. However, the Wolves were slow in getting started and the Blue Devils took over in the early moments of the game and held advantage throughout. The game ended with Duke riding a 47-0 victory over State College. The experts all agreed that Duke played its strongest game of the season against State and that few teams could have topped Duke that day as it played before its old coach, Maj. Wallace Wade.

State College's Mascot doesn't look quite so alluring as Rameses.

Thus, another season had ended for the Wolfpack which had won four of its games, lost four and tied four. "Peanut Doak," stellar safety man is due special recognition for his outstanding play during the season. "Peanut" received the Person Trophy before leaving at mid-season for a government camp. The Person Trophy is a much coveted emblem of recognition, given each year to the player showing the most improvement over his previous year's playing.

At the annual Football Banquet, held early in 1943, Lloyd Ott and Taylor Moser were elected to serve as co-captains for the 1943 Wolfpack squad.

THE 1942 WOLFPACK

*The Red Terrors' Rotating Captains
CARVALHO, GEIL, AND MOCK*

BASKETBALL

*MANAGER LEVIN AND
COACH JAY*

Prospects for the 1943 basketball squad at North Carolina State were very bright at the beginning of the season despite the fact that "Bones" McKinney, last year's brilliant center, and last year's coach, Bob Warren, had gone into the services of Uncle Sam. LeRoy Jay, capable coach of last year's successful freshman squad, was brought up with many of his old star pupils to begin work on moulding a new, stronger Red Terror five. As this publication goes to the printers, at which time the Red Terrors have completed only about half the games on its schedule, the prospects for another tourney

berth in the Southern Conference Tournament appear promising.

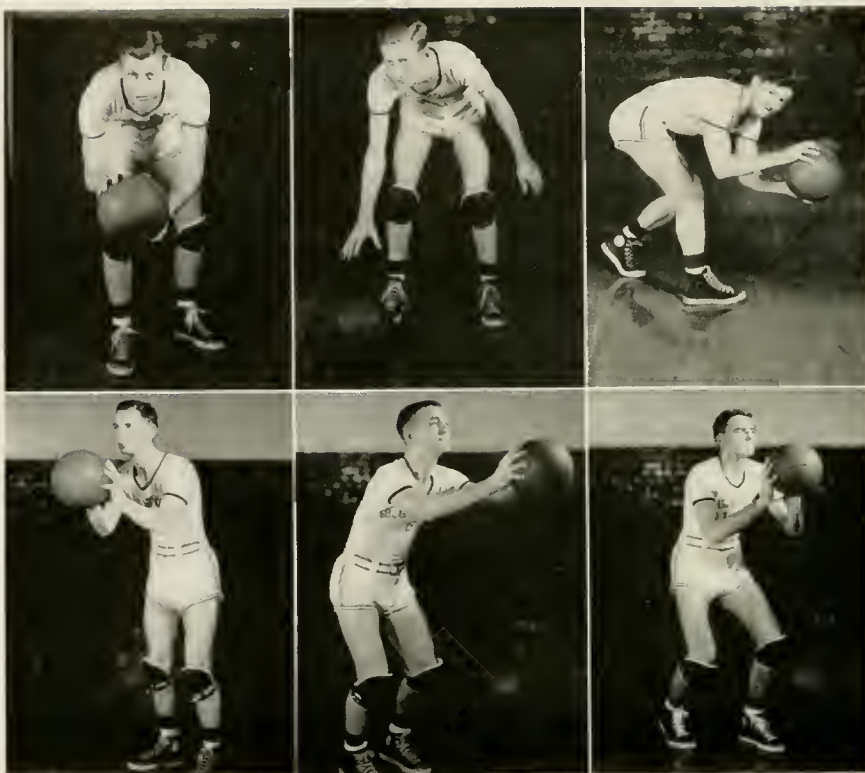

Coach Jay began with three returning lettermen as a nucleus of his squad: Jack Geil, Bernie Mock, and Raul Carvalho had all earned their monograms from the previous work. Adding last year's reserves to these three along with his ace performers from his last year's freshman team, Coach Jay immediately put his boys into lengthy practice sessions. Ten of the squad returned early during the Christmas holidays, ready to work towards perfecting a better ball club.

*Back row: COACH JAY, REID, BOGER, MOCK, LEVIN (Manager).

Although the Red Terror five had dropped a pre-Christmas practice round with the Army Replacement Training Center basketball team from Fort Bragg, the squad was better polished when it went into its first game of the Southern Conference with Clemson at Clemson, South Carolina. The Tigers from Clemson managed to

rack up an early lead in this curtain-raiser, but the Terrors, paced by the rangy Joe Johns, bounced back to lead 29-21 at half time. Clemson was never again in front and State controlled practically all floor activity and both backboards for the remainder of the evening. Coach Jay, feeling for the right combination, used eleven men in this first game which finally ended in a 48-40 victory for the Terrors.

The next night, State College journeyed to Charlotte to engage the Davidson Wildcats, and were defeated 48-37. The Terrors started very slowly and were unable to pick up their slow pace through most of the evening. At half time, the State lads were trailing 30-15. Coach Jay's pep talk at half time apparently helped, for the Terrors picked up the pace during the second half, but not enough to close the gap. With Sophomore Tom Peters of Davidson racking up 23 points during the tilt, the Wildcats captured a 48-37 victory. Doug Reid with 10 points for State was high man on the Terror squad.

"Bones" McKinney, ex-Terror ace, now with the Army, brought his Fort Bragg squad to Raleigh to meet his old mates in Frank Thompson Gym for the Terror's next encounter. The game which ended in a 51-39 victory for the soldiers spoiled the opening of the home season for the State supporters, 2,000 of whom turned out for the game, despite the ban on pleasure driving. The Terrors got off to a fast start in the opening seconds and soon led 7-1. Paced by Hampton, McKinney, and ex-Terror Captain Ray Smith, the soldiers narrowed the gap and moved out to lead 23-15 at the half. The Terrors, firing all known basketball artillery at the soldier boys, pulled to within four points of the lead early in the second half, but the rally fell short. Mock and Katkaveck led the scoring for State.

The Terrors next attempted to "bust" the Cloud-busters of the Carolina Pre-Flight School, but were unsuccessful by the narrow margin of 60-55. The Busters started fast and were never headed, leading by ten points, 33-23 at the half way point. After intermission, State played a better brand of ball and pulled within three

Mock gets two.

points of tying the score. However, the Terrors became not-so-terrible and dropped their third straight game although Mock credited himself with 20 points for the evening.

In the important Southern Conference tilt with the University of North Carolina, Coach Jay apparently hit upon the right combination when he put Captain Mock and four sophs in the starting line-up. The Terrors gave the crowd a thrill in the first few seconds of play by scoring on a tricky tip-off play and jumped ahead in the early moments of the game. Late in the first half, Carolina rallied to go out in front 15-13, but the Terrors soon tied it up and went on to lead 20-17 at the rest period. There was no lull in the excitement during the second period which ended in a 47-36 victory for State over its arch rival. The victory broke State's three game losing streak and gave them an even break in six starts. The Terrors' standing in the Conference was now two victories against one loss.

The invading forces from Virginia Polytechnic Institute were stopped when the Terrors handed them a 43-40 defeat in an exciting encounter at Frank Thompson Gymnasium. Trailing for more than three-quarters of the game, State went on a scoring drive during the last six minutes of play and took command of the situation. Reid knotted the count at 36 all, and a free throw by Mock and goals by Nickel and Reid gave the Terrors a nice five point lead. However, the Virginians were not through and as the game ended at 43-40, they were putting on a threatening spree. The engagement proved to be the most thrilling game played thus far in Frank Thompson Gym during the new season. Reid, one of Coach Jay's brilliant sophs, scored 17 points to lead the scoring.

A long field goal in the last minute of play was the margin by which the Terrors lost their next game to the Chapel Hill Pre-Flight Officers. The Officers, aided by Buddy Hassett, former Yankee outfielder, jumped into a 9-1 lead in the first six minutes of play. Slowly, State began to find the range from deep in the court and started to whittle away the lead formerly established by the officers

*Hartzog gets hot in Replacement Center—
State College Game.*

until the Pre-Flight basketeers had only a three point lead at half time. After resting at half time State tied the score up, and from this point to finish, the tussle was a nip-and-tuck battle, which ended in a 38-37 victory for the Pre-Flight squad. This time, Dick Nickel, sophomore forward, led the scoring.

The Terror five next journeyed to Durham, where they were defeated by a strong Duke squad 60-47.

BOGER

*"Trickle" Nickel comes in to
take rebound.*

During the first ten minutes of the fray, the score was close, but soon afterwards, the Devils perfected their fast-breaking system and moved into the lead which they held throughout the remainder of the game. The score at half time stood at 36-26. The game which ended in a decisive victory for Duke was a rough one, thirty-six fouls being committed during the game. Nickel, Johns, and Mock were forced to retire from the game because of fouls, and Duke also lost three men on fouls committed during the encounter. This was the second conference defeat for the Terrors in five starts.

In their 69-34 victory over the Clemson Tigers, the Terrors were put into a tie for third spot in the Southern Conference standings. Mock turned in one of the most outstanding performances of his varsity career when he racked up 23 points during 24 minutes against the Clemson five. The line-up, consisting of Mock and four sophomores, began the game with a rapid start and immediately set up a 10-0 lead. The Terrors continued its point making and established a commanding 19-point lead of 37-18 at half time. Coach Jay used every one on his 13-man squad in defeating the helpless Clemson team and set up a convincing victory for the Terrors.

The Conference-leading Colonials of George Washington University invaded Raleigh and handed State College

a 46-40 defeat in the Terrors' next fray. The State basketballers got off to a poor start in the opening period of the game when they hit the hoop only four times from the floor. The Colonials took a 6-5 lead after eight minutes of play and boosted their lead to 22-16 at the half, and after intermission they upped their lead to 26-19. The State cause looked rather hopeless until Leo Katkaveck took charge of the game almost single-handed, scoring 12 points within the space of five minutes to pull the Terrors up to one point of the lead at 35-34. "Trickle" Nickel also dropped in two beauties in this period to aid the cause, but the rally died when George Washington dropped in six straight points to take the contest 46-40. Katkaveck scored 17 points to lead the scoring for both teams.

As this volume of the AGROMECK goes to press, the Terrors are in fifth place in the Southern Conference standings with four victories against three defeats. Although competition for berths in the tourney looks to be tight this year, men such as Joe Johns, Doug Reid, Dick Nickel, Bernie Mock, Leo Katkaveck, Eddie Morris, Buck Carvalho, Jack Geil, Jim Boger, Louis Hartzog, J. L. McCormick, Lee Betty and McLaughlin should assure the Red Terrors of a prominent chance to gain a position in the Southern Conference Tournament.

TRACK

TRAINER "DOC" POWELL, COACH HICKMAN,
MANAGER GARDNER.

First row: PEASE, SMALL, COBLE, BERGER, ANDREWS, JONES.
Second row: MADDREY, MATTHEWS, OLIVER, OTT, CABE, BOYETTE, MACDOUGALL.
Third row: GARDNER (manager), RHYNE, HALL, COACH HICKMAN, DR. POWELL (trainer).

*Top row: LAMBE, FLEMING, ANDREWS, PEASE.
Second row: JOHNSON, HOLLOMAN, COBLE, SMALL, JONES.*

The 1942 edition of the State College Cindermen, under the able direction of Coach Herman Hickman and the star performance of the well-rounded Mike Andrews drew some of the largest crowds yet to witness college track meets in North Carolina. The large turnout of students who drew equipment plus the capacity crowds who witnessed the meets gave strong indication that track is an ever-increasing popular sport at State.

In the first meet of the season, the fleet-footed Andrews, in just his sophomore year, turned in a swift 9.8-second 100-yard dash, covering the distance two-tenths of a second better than he did in the Carolina relays. Although State lost this first meet of the season to the University of Richmond, it certainly wasn't the fault of Mike Andrews, who was high scorer for the meet, accounting for 19

Wolfpack points and winning firsts in the 100- and 220-yard dashes and seconds in shot-put, discus and broad jump. The outcome of the meet wasn't decided until the near end when the Spiders clinched the victory in the low hurdles as Ray Adams sailed over the timbers to win with a time of 25.1 seconds. State's firsts were placed by Mad-drey in the two-mile, Holloman in the 440, Jones in the high hurdles, Lee in the broad jump, and Andrews in the 100- and 200-yard dashes. The score: University of Richmond 66½, N. C. State 59½.

The next meet took the State trackmen to Newport News, Virginia, where State handed the Apprentice School a decisive defeat by winning 96 to 30. The stellar performers in this meet were Andrews, Pease and Lambe in the 100- and

220-yard dashes, Holloman in the 440, E. Jones and McDougall in the hurdles, Maddrey in the distances, and Coble in the middle distances.

Coming back to Raleigh for its next meet against Catawba College, State found very little resistance when it dealt the Catawba trackmen a 95 to 30 loss. Before a large Saturday afternoon crowd who had congregated to watch the mighty Andrews perform, Mike took four firsts, one second and one third during the afternoon—giving a repeat performance on his 9.8 second hundred. Other State men winning firsts were Boyette in the pole vault, Holloman in the 440-yard dash, E. Jones in the high hurdles, Small in the two mile run, Lee in the broad jump and Allen in the low hurdles.

On the following Wednesday, State dropped a meet to the highly polished team from V. P. I. by a score of 78 to 48. However, during the same week the State Cindermen ventured to Chapel Hill

for the annual Carolinas A. A. U. Track and Field Meet. State finished second behind the University of North Carolina but ahead of Duke and Davidson who finished third and fourth, respectively. Mike Andrews was again star performer of the day, walking away with $19\frac{1}{4}$ points after winning the 100- and 220-yard dashes and placing second in the broad jump and shot put and third in the discus.

In its last meet of the season before the Southern Conference meet in Durham, State traveled to Columbia, S. C., where the State Cindermen lost a close one to the University of South Carolina by the score of 68 to 58. During the course of the meet, Andrews stepped in a hole on the track and badly pulled a muscle which kept him from giving his best performance at this meet or at the Durham meet. In spite of his injury, Andrews accumulated 10 points at the Southern Conference meet, a sum which was far under his usual rake-in for a track performance.

Edgar Jones, ace timber topper for State, moves out front in 110-yard high hurdles.

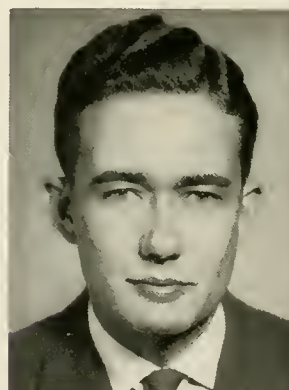

CAPTAIN LEN CONSTANT

State's Red Terror nine of 1942 had a season which showed slightly better than mediocre and wound up the season with six wins in eleven conference starts. Coach "Doc" Newton took a bare handful of returning lettermen and moulded a team which showed much talent and polish at the start of most of their games but lacked sufficient "kick" at the finish.

In their opening game with the Big Red of Cornell, "Doc" Newton's boys looked very good as they won, 8-2. Although its fielding appeared shaky at times,

State's hitting and pitching lived up to pre-season expectations. Ray Hardee pitched the first four innings, and yielded one hit and one run. "Peanut" Doak finished the game and did equally as well as Hardee. It all started with Steward's homer in the first, with Singer on base. Dayvault's triple, a double steal, five singles, and two Cornell errors accounted for the remainder of the runs.

In the next game, Hardee again was "on the ball," but Wake Forest edged out the Wolfpack, 5-4, in the Easter Monday game. State outhit the Deacs, 9-8, but the Wake Forest hits were bunched. State held a 2-1 lead until the fifth, then the Deacons scored four runs to conclude their hitting activities for the day. The

JASPER FRIZZELLE, Manager

*Bench scene during
State-Davidson game.*

Techs rallied for two runs in the ninth, but the rally was one run short.

In a daffy contest played on the home diamond, State won over the University of South Carolina, 20-4. The Gamecocks forged into a 3-2 lead in the third; however, in the fourth inning, the Wolfpack threw everything at the visitors except the players bench, to score ten runs. Doak was the pitcher as State gained its first Southern Conference victory. Doak also was the leading State hitter, with three hits in three trips to the plate.

On April 13th, the State College nine journeyed to Goldsboro where they met the Elmira diamond men of the Eastern League. The more experienced Elmira team managed to clip "Doc" Newton's boys 7-6 before a handful of local folk who turned out to watch the performance.

State lost their second straight game by a one-run margin, this time to the Tar Heels of Carolina, 5-4. The Wolfpack led up until the eighth, at which time the Heels tied the game at 2-2. At the end of the regular nine innings, the teams were still deadlocked. The eventful tenth inning rolled around and Ray Hardee, who had pitched masterful ball all during the game, had a weak moment

Doak slugs.

Captain Constant and Coach Newton discuss a few pointers.

and the Rams scored three runs. The Wolfpack rally ended after two runs had crossed the plate. Final score: Carolina 5, State 4.

"Doc" Newton's team smashed out 13 hits in their next game, to ground the Morris Field Air Base 14-5. State broke the scoring ice with five runs in the third. The Charlotte Airmen committed 11 errors which also helped the State cause. Fetner was the winning pitcher, while Gibson, Steward, and Bailey were the hitting standouts.

In a game dedicating the Armory Athletic Field at Lumberton, State College came away with a close 9-8 victory over the Davidson Wildcat nine. The Cats came up with a big five-run fifth inning and led until the bottom half of the eighth when the Red Terrors knotted the score at eight-all. Renfrow Doak twirled for State until Ray Hardee, dean of State Moundmen, relieved him, whiffing three men in this three inning tenure.

The Terrors suffered another one-run defeat when they journeyed to Durham to engage Duke University. Duke jumped into a 4-0 lead in the second inning; however, State tied it up in the fifth. The two teams battled on even terms for the next three innings, then the one-jinx

HEATH

bobbed up and State was again on the short end of a 5-4 contest.

A left-handed pitcher, backed up by hard hitting, handed the Wolfpack a 7-0 defeat over in Deacon Town. Wake Forest collected all their tallies in two big scoring innings, the fifth and eighth. Three of State's six hits were made by Captain Constant. This was the first shutout for "Doc" Newton's '42 team.

A late inning rally by Duke gave the Blue Devils a 3-2 win over State in the Red Terrors' next encounter. The game was part of Raleigh's Sesquicentennial Celebration. Duke drew first blood with a tally in the first, but State bounded back with two runs in the second. Duke added one in the fifth, and the game stayed tied up until Tom Davis, the boy

who caused State supporters many headaches during football season, smacked a homer to win the ball game. Turner, Heath, and Singer were the hitters for State.

State next engaged the University of North Carolina at Raleigh, and the Techs lost another close one, this time by 4-3. The game was a tight struggle throughout, and Carolina hadn't won until the third out was called on State in the ninth inning. Frank Craig tied the game at 1-1 in the fifth with a long homer. Carolina broke the deadlock in the eighth, but State came back in the last half of the same inning to tie it up again. Carolina scored two more in the ninth and the Wolfpack put on a last inning rally, but the rally fell short one run.

The last home game for the Wolfpack was spoiled by a 17-8 plastering by Wake Forest. The game was part of the entertainment for State College alumni attending State's annual commencement. The Wolfpack started out to make the game a pleasing spectacle for the old grads. After Wake Forest had scored two runs in the first, State came back with four in the same inning. The Deacons put across five more in the second, but State tied it with three in the last of the third. After that, Wake scored 11 runs to turn the game into a batting practice—for the Deacs. Heath with three for four, and Council and Gibson with one for one were the State leaders.

State next invaded Virginia for a contest with Virginia Tech; however, the invasion was unsuccessful, for Tech gained a 14-10 triumph over the Pack. State jumped into a four-run lead in the first inning, but despite the efforts of Doak, Harmon, and Hardee on the mound, the Virginia lads overcame the lead and scored the winning runs in the eighth inning.

The Wolfpack finally gave an opponent a dose of its own medicine by capturing a one-run victory from Hanes Knitters, 5-4, in an abbreviated six-inning contest at Winston-Salem. State came from behind in the fourth frame with a three-run outburst, to overtake a one-run deficit. After Heath reached first on a Hanes' error, Turner singled and Constant slapped a long triple, scoring on a wild throw to third to account for the State runs.

The Red Terrors wound up a successful season by clinching its last game when it clipped Davidson by the score of 11-2 in an unexciting encounter. Thus, State's diamond nine closed the season with six wins and nine losses, of which five of these losses were dropped by one point.

Close play at first.

SWIMMING

CO-CAPTAINS
HILKER AND REYNOLDS

Under the capable coaching of Tom Hines, the State College tankmen promised a strong team at the date that the 1943 AGROMECK went to the printers. Although State's swimmers dropped its first match of the season to a strong Virginia Tech team who won its first meet from State since 1934, swimmers such as Reynolds, Hilker, Brown, Dammann, and Bailey were strong indications that the State tankmen were in for a successful season.

In its first meet of the season, against the Gobblers of V. P. I., State's swimming team was only able to capture two first places: one of these, the 100-yard free-style, was captured by a freshman, Boyce Brown of Charlotte. The 440 relay turned out to be the most thrilling event of the meet when State's quartet overcame a two-length lead to win by less than a yard in the final race of the meet.

In spite of the loss of Billy Nufer, ace sprinter who was disqualified by conference rulings on transfers, the State College tankmen had good reason to believe that they would come out of their early season slump, clipping off several important meets before the season ended.

Time trials.

First row: GOODRIDGE, LOEWENBERG, HEYWARD, BROWN, BROWNELL, THROCKMORTON, BAILEY, HILKER, REYNOLDS, NUFER, DAMMANN, POWELL.
Second row: MOORE, VAUGHN, GOLD, FISCHER, GARDNER, MILLAR, HOLLAND, ARMSTRONG, SIFF, VAN LEER, HINES.

TENNIS

The varsity tennis team under the coaching of Prof. Green and the captaincy of Frank Owens went through the entire season of eight matches and emerged the victor in one of their matches. The team had as its initial source five returning lettermen: Owens, Kattermann, Pruitt, Winston, and Shoffner. New members added to the squad were Pinner, Barbee, Joyce, and Messick—all coming up from the freshman squad. With the small experience of these boys plus the superior teams State met, the wolfpack racketeers had very little chance throughout the season.

The team lost its opening match against the "Big Red" of Cornell, and went down fighting to the score of 9-0. Valiant fights were put up by Capt. Owens and Elliot Winston who both captured a set before going down in defeat. State's next opponent, Duke, handled the State boys in like fashion, State losing again 9-0.

State's Red Terror netmen next met the Carolina tennis team, which is sometimes spoken of as the most

CAPTAIN FRANK OWENS

Shoffner goes up for a serve.

powerful on the East Coast. In the two meetings of the team, State was set down 9-0 in both matches. State next met the cadets from The Citadel and was licked again 9-0.

The State racketeers turned in their first victory of the season by defeating Elon 4-3. Owens, Winston, and Shoffner each won their singles matches and Winston teamed with Shoffner in the doubles to assure State of a victory.

In a return match with Duke, the Red Terror netmen surprised the Duke team when Winston teamed up with Shoffner to take a doubles match away from the Blue Devils. The final outcome of the match was 8-1 in Duke's favor. When State's net men went to Elon for a return engagement then met a revamped team and lost their last match of the season 4-3. The winners for State were Owens, Shoffner, and Pinner in the single matches.

The prospects for this coming season are very much in doubt. With a very meager budget and poorer transportation facilities, the future for State's net teams is undetermined.

ON THE MAT

RETURNING LETTERMEN JONES
AND TROXLER

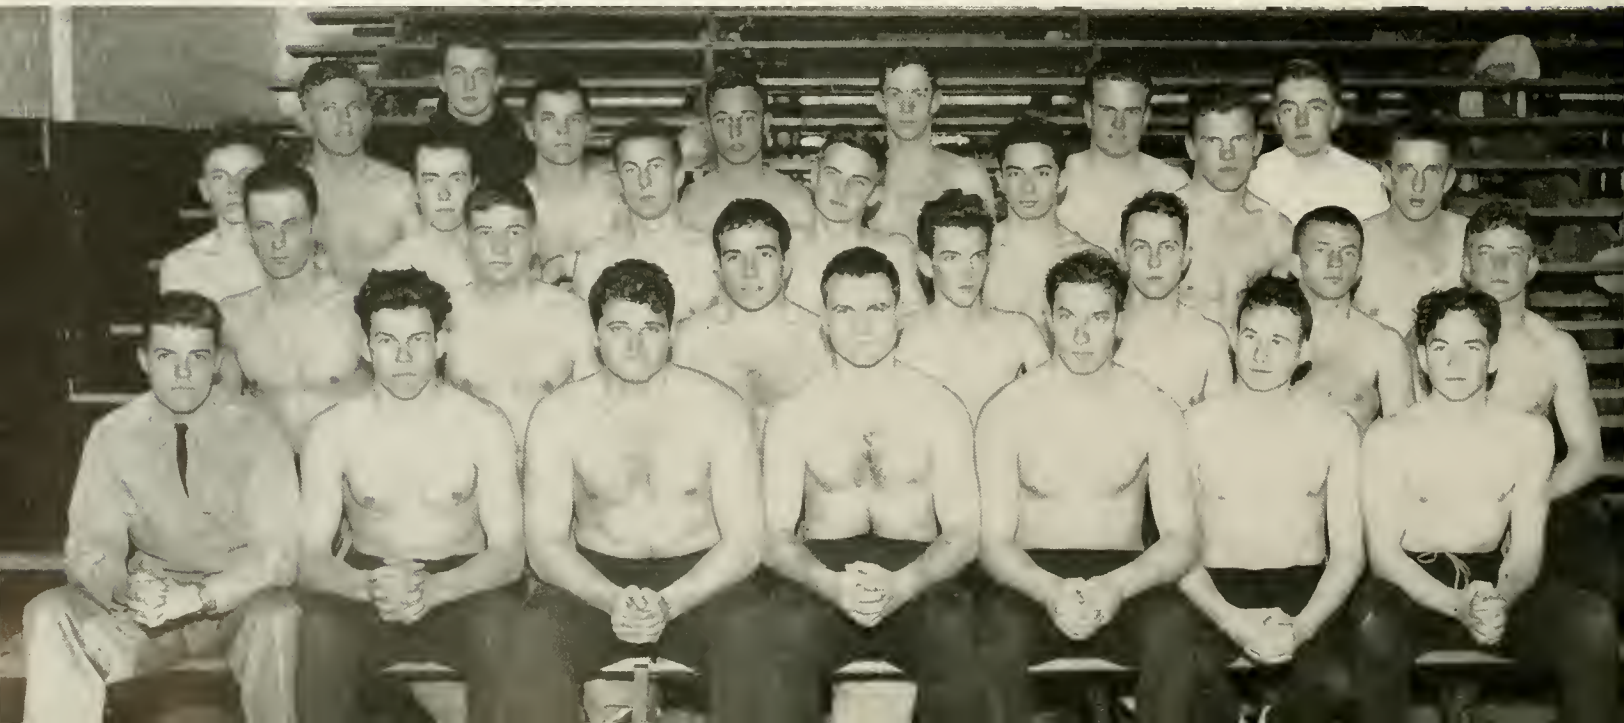

At the time that the 1943 AGROMECK went to the printers, the State College matmen had met four opponents on the canvas and had lost four matches. Although the squad experienced an early season slump, there was no indication that the State College matters were to continue in this form. With three men as a nucleus, Coach Hickman took an inexperienced group of men and began moulding a squad which, at the time of this printing, soon began picking up its pace and polishing off its rough edges.

During the first four matches of the season, several of the squad had already demonstrated

Coach Hickman and his able assistant, "Woody" Jones.

First row: SEAWELL (Manager), EDWARDS, OTT, MCGRATH, KERR, SMITH, BLALOCK. Second row: JONES, ELLISON, TOFFOLI, TROY, RATTs, SPEARS, TROXLER. Third row: HILL, RHODES, BATCHELOR, FINKLESTEIN, WAGONER, SPEIGHT. Fourth row: TIMBERLAKE, BROWNE, BROCK, HINES, SENN, CALDWELL. Fifth row: DIXON (Manager).

INTRAMURAL SPORTS

Intramural activities during the year 1941-1942 experienced one of the most successful years since Intramural Inauguration in 1924-1925. Intramural athletics give those boys who are not exposed to varsity competition a chance to continue and to further develop sportsmanlike qualities and stronger bodies. During the last year, approximately 2,400 students participated in Intramural Athletics, indicating the high degree of interest shown in its activities. The important job of correctly directing the Intramural Leagues is industriously managed by Mr. Johnny Miller, who deserves a great deal of commendation for the work he has done towards perfecting this branch of athletics.

In last year's competition, the Pi Kappa Alpha Fraternity led the fraternities by annexing the trophy with a total of 1,186 points. Hobart Ferree of the Pi Kappa Alpha Fraternity distinguished himself by winning the trophy presented to the best fraternity athlete, while R. W. McKay of the same fraternity was the best fraternity manager.

Amassing the grand total of 1,156 points over their nearest rival's 652 points, the second floor of C Dormitory won the first-place trophy in the Dormitory League.

A. M. Sloop achieved the unusual honor of becoming the best dormitory athlete for the second consecutive year when the trophy was presented to him over Goldstein and Sweet. Joe Orland of 2nd floor C Dormitory was chosen the best dormitory manager.

FRESHMAN FOOTBALL

The Wolfcubs under the capable coaching of ex-Wolfpack Tackle, Woody Jones, came through the season with two games won, and only two games lost. Coach Jones, putting in his first year's service as a football coach, developed one of the classiest freshman squads yet produced at State from such a noticeably small group of players.

Going up against the Tar Babies in their first game with a line that hardly averaged more than 150 pounds, the Wolfcubs were outclassed in every department by the much heavier Carolina team. The Tar Babies consistently ripped through the small State line and drove over for a touchdown when the game was only two minutes old. This was followed by five more six-pointers before the State lads started playing ball. In the closing minutes of the game, Rufus Dalton crashed over Carolina's six to give the Cubs their lone tally. Dalton also converted, and the game ended 39-7.

The Cubs made no better showing when they journeyed to Durham to meet the Blue Imps of Duke. The State Freshmen were again outplayed in every department and this time were crushed 44-6. State's lone tally came in the second quarter when the alert Braxton Schell intercepted a Duke pass and galloped to the Duke three. On the next play Atwood flipped one to Schell for the touchdown.

The Techlets scored their first victory of the season by overpowering the Kittens of Davidson 12-0. The Wolfcub's first drive was started by Sedberry's interception of a Davidson pass, followed by a runback of 42 yards. Then "Workhorse" MacManus broke through the line for 15 yards to which he added another 10 yards on the next play. Eddie Watson then passed to Sedberry for the score. In the third quarter, Watson returned a Davidson punt for 21 yards, and again the Wolfcubs drove on to score, Price doing the tallying.

Showing new polish and much added improvement over its early season form, the Wolfcub eleven closed the season by mercilessly pounding the Wake Forest Baby Deacons into a 17-0 defeat. The highlight of the game came when Dalton swept around his right end and galloped 56 yards for a touchdown putting the Cubs out ahead of the Baby Deacs. After a 31-yard punt return by Price in the second period, MacManus thrilled the crowd when he converted for a 21-yard field goal for the State College Freshmen. The next score came as a result of a Wake fumble, which Eddie Watson, little 135 pound package of dynamite, capitalized with an end run and a touchdown for State.

Much credit was accorded to Coach Woody Jones and his assistant, Jack Singer, for their development of the light, inexperienced squad, into a crack ball club, winner of half its games. The starting team usually came from the following boys: Henson, Hobbs, Farrell, Fordam, Jolliff, Ryman, Lipson, Atwood, Dalton, Hahn, Sedberry, Watson, Winston, Schell, MacManus, and Price.

First row: CHARLTON, SCHELL, RAINES, HOBBS, GOLDBLOCK, BROWN, WATSON, HARSTEN, WHITESIDES, WINSTON.
 Second row: DALTON, GABRIEL, RIVENBARK, PATTERSON, LIPSON, JOLLIF, FARRELL, BARINGER, BENSON, COACH JONES.
 Third row: PEARCE, HENSON, CALLIS, CAMPBELL, BURT, RYMAN, RICKENBACKER, WIGGINS, STEWART, MORRIS.
 Fourth row: MCCALL, CATHEY, SEDBERRY, MACMANUS, VICKS, SELTZER, ATWOOD, PRICE, BURKE.

FRESHMAN BASKETBALL

As this issue of the college annual goes to press, the State College Freshmen basketball team have had only three chances to display their talent. At the beginning of the year, Coach Phil Dickens took a small group of inexperienced freshmen and began molding a basketball squad which showed prominent chances of improving itself before the season was to end. At the time of this write-up, the freshmen had met only three opponents and had dropped the same total.

Starting the season against the freshmen from the University of North Carolina, the State College freshmen's inexperience spelled defeat for them. The State boys found trouble in settling down to steady ball and at half time were trailing by 17-5. However, the State freshmen began finding the range during the second half and began narrowing the gap, but the handicap was too great. Cool-headed Gillis led the State scoring with Neal, Swift, and Doolan also distinguishing themselves in the game which finally ended in a 34-21 victory for Carolina.

In their second game of the season, the frosh played a better brand of ball, but lost to a strong Duke squad by the score of 55-38. A slow start again caused defeat for the State team, but the squad played more smoothly and with more finesse than in their previous game. Neal led the State freshmen with seven points.

The State frosh next met the high flying, undefeated Carolina squad in a return engagement and came within one point of upsetting the Carolina five. Playing spirited ball the whole distance, the State freshmen had the Carolina squad tied in a 46-46 deadlock at the end of the regular game. However, due to the unlimited supply of reserves on the Carolina bench, the State College freshmen were forced into a 49-48 defeat. Methodically, Braxton Schell, led the State charge with 14 points, and Mackie, Neal and Owens dropped in 11, 10, and 10 points respectively.

At this point, the State freshmen still had several games on its schedule to play. The vast improvement shown in the squad during its first three games gave strong promises that the final results of the season would be at least mediocre.

*First row: HALL, MACKIE, HENSON, WYNNE, BRANTLEY, DOOLAN, MACMANUS.
Second row: OWENS, GILLIS, SWIFT, VICTOR, FONDREN, SPEIGHT, QUEEN.
Third row: K. COBLE (Manager), SCHELL, RICKENBACKER, WOLHAR, NEAL, HARRIS, WILSON.*

FRESHMAN TRACK

Interest in freshman track lagged at the beginning of the '42 season, but nevertheless, Coach Ike Hanff produced a strong team which won its only dual meet and made excellent showings in several invitational meets.

In their first meet the team won from a strong University of Richmond freshman team by the score of 65-28. The main point makers in this meet were Phillips in the 100 and 220-yard dashes; Ritchie in the 120 and 220-yard hurdles; Thurman in the 100 and 220 yard dashes; Trotter in the high jump; Skinner in the 440 and 880-yard runs; Burtner in the 440, and Blue in the pole vault.

Five State freshmen also competed in the Carolina Relays. The 440-yard relay team consisting of Thurman, Ritchie, Skinner, and Phillips made a good showing, while Trotter won the high jump. This gave State third place in the freshman division.

In the last meet of the season, the State team participated in the Carolinas AAU meet in Chapel Hill. The entire team entered the meet and when the dust had cleared, State's Freshman Trackmen had won second place. Phillips, Thurman, Ritchie, Skinner, and Trotter made the points for State.

Although the Freshman meets were not numerous enough to really spot possible track talent, some of last year's freshmen should show great performance on this year's varsity team.

*First row: ROSS, STEWART, THURMAN, PHILLIPS, RITCHIE, BLUE.
Second row: JERNIGAN, DELAMAR, HEUGHAN, HALL, SKINNER, REECE.
Third row: WILLIAMSON, RHYNE, BURTNER, PARAMORE, MILLER, TROTTER.
Fourth row: STINSON, LOY.*

The North Carolina State College Life Saving Corps was organized in the spring of 1935. The Corps is affiliated with American Red Cross Life Saving Service. The Corps is doing excellent work in teaching and promoting swimming, life saving, and water safety. Since the Corps has been organized over one thousand students have been issued Senior Life Saving Certificates. In order to become a member of the Corps a student must have an Instructor's rating from the American Red Cross and be accepted by the members of the Corps.

**AN OPEN SECRET
ABOUT S & W KNITTING
MACHINES**

That Scott & Williams' knitting machines are quality machines is a fact recognized throughout the knitting industry.

But that is not the only reason they are used so widely. There is another and extremely important reason.

It is that S & W machines can be kept operating over a longer period of time and at a lower cost per machine in the long run through the use of S & W replacement parts, which are made with the same quality of materials and workmanship that go into the making of parts for the original machines.

Let S & W's seventy-eight years of experience be your guarantee of efficiency and economy in knitting machine operation.

A State College graduate should be like a steel structure, designed to withstand the live loads and the wind stresses which are sure to come, and with a liberal factor of safety to insure Strength and Security.

And he should be as adaptable to changes to meet new conditions as is a steel structure, which may be reinforced for greater loads or for increased height, or to which an addition may be readily made.

We congratulate you, young men, because of the opportunities of preparation you have had. We know if you can stand the gaff of State College curricula you have the ability to make a success.

Dear Students:

For the past twenty-five years the Student Supply Store has been the "cross roads" of State College Campus. Our central location and convenient fountain service make this the logical place for friends to meet. Our line of student supplies and equipment at low ceiling prices makes this the logical place for you to trade.

Although the war has brought on certain shortages in a few essential items, we shall continue to supply your every school need that is available on the market.

Very sincerely,

L. L. Ivey.

It Takes Power... There's Plenty of it!

It takes a lot of electric power to make the tools of war. And there's plenty of it in America . . . more than in all the Axis countries combined. That's why America is the Arsenal of Democracy and is also able to have a military organization of millions of men. Electricity releases manpower for military duty. The Carolina Power & Light Company has met all demands for electric power by war industries and the many military posts and camps in and adjacent to its territory, without asking a single one of its regular customers to curtail his use of power. There is still plenty of power for all the needs of all its customers.
